Sir,

In Submitting herewith an extract from the proceedings of the Chitaldrug Town Municipal Board held on the 31st March 1910, I have the honor to State that at present a Cart-tax of one-anna is levied on each Cart that comes to the weekly Bhandy in the Chitaldrug Municipality At the said meeting of the Board, Some of the members proposed that the Same Should be raised to 2 annas, and accordingly a resolution was passed to that effect. As the proposed increase

increase will not be excessive and does not operate as a hardship to persons bringing carts to the Saute, I Solicit that Sanction of Government may kindly be accorded to the levy at the rate proposed with effect from the 15th August 1910 This will hardly tend to improve the financial condition of the Municipality which has been unsatisfactory

I beg to state that this rate of annas two is being levied in Challakere, Davangere and a few other Municipalities in this District

I have the honor to be
Sir;
Your most Obedient Servant

Para 1111

Proposed by Mr. M Ananthacharlu and Seconded by the other members of the Board that the present Cart tax of one anna levied on each cart on Bhandy days in the Chitaldrug Municipality be raised to annas two This rate of two annas is being levied in Challakere and some other Municipal towns in the District.

Resolved nem. con that the rate of one anna be increased to two annas, as this will not operate as a hardship to persons bringing carts to Sante on account of the increase in forces of all ashoks of Consumption Besides, this will tend to improve the financial condition of the Municipal to some extent.

Sir,

With reference to your docket No 1325/Mil 79-10-2 dated 8th August 1910, calling for further information regarding the proposal to levy a fee on carts entering the weekly sante at the rate of 2 annas per cart, instead of one anna at Chittaldroog, I have the honor to state that necessary action as required by Section 60 of the Municipal Regulation will be taken and reported to Government in due course.

2 As regards the levy of fees, I beg to state the levy of fees in the weekly market appears to have been proposed in the Budget of 1894-95 and the same approved by Government in their order No 3085-90/L F 30-94 dated 23d August 1894 sanctioning the Budget

Budget estimates of the Municipalities in the Chittagong District. It is not possible to ascertain the amount realized annually from this source till now, as taxes on shops of rice and cloth, every loaded horse, bullock, ass and on every pottery shop, are also levied and total realization credited to the Treasury every week. The average annual income from the levy of cart tax at one anna may be estimated at Rs 240/ every year

I have the honor to be,
Sir,
Your most obedient Servant
